

THE NEW PAGAN DAWN, an institution representing the Pagan community and Paganism in Romania, sends its condolences to the Royal Family of Great Britain and Northern Ireland.

Her Majesty Queen Elizabeth II was initiated into the Pagan Order of Druids, the Mystic Circle of Bards on 6 August 1946 by the Druid, Crwys Williams at the National Eisteddfod of Wales at Mount Ash in Glamorgan, making her part of the international pagan community, and through the ties with King Charles and close to Romania and the pagan community in Romania.

We are very saddened to learn of the death of Her Majesty Queen Elizabeth II. We offer our sincere condolences to Your Majesties, the members of the Royal Family, and the people of the United Kingdom and the Commonwealth.

We join all those who mourn her passing in praying for the queen's eternal rest with our Gods and Goddesses.
